Parent Reflection – Psalm 112

“The just are a light in darkness to the upright.” (Psalm 112)

At Children of St. Martha, we are blessed to witness this light each day — in the kindness of our students, the dedication of our staff, and the support of our families. Even in the busy rhythms of school life, moments of faith, learning, and connection continue to shine brightly.

Here is a reflection on our week together:

- **PD Day (Monday):** Staff engaged in professional learning focused on strengthening teaching, learning, and student well-being, ensuring we continue to grow in ways that best serve our children.
- **Report Cards Shared:** Families received report cards highlighting student learning, growth, and effort. We are grateful for the strong partnership between home and school as we celebrate progress and support next steps.
- **Open House:** It was a joy to welcome new and prospective families into our building. Our doors — and hearts — remain open as we continue to grow our CSM community.
- **Family Literacy Day:** Our school was filled with guest readers and shared stories, reminding us that literacy builds not only skills, but relationships and belonging.
- **School-Wide Mass:** Gathering in prayer as a community grounded us in faith and reminded us that Christ is present among us, guiding our words and actions.
- **Grow & Glow Assembly:** We celebrated student growth, character, and perseverance, and recognized our **STEAM & DREAM Inventors and Innovators**, whose creativity and problem-solving continue to inspire us.

Each of these moments reflects how light is shared — through learning, faith, welcome, and celebration — and how together we help one another walk confidently forward.

Loving God,

Thank you for the light you place within each child, family, and staff member in our community.

Help us to reflect Your love through kindness, courage, and compassion.

May we be a light to one another, especially in moments of challenge or uncertainty.

Bless our school and all who walk through its doors.

Amen.

Information and Updates

- **Morning Routine**

- Students who wish to join us for breakfast may come into the school starting at 8:15. Breakfast is not grab and go and students will be expected to sit a table to eat.
- Any students not coming in for breakfast should go directly to the playground via the north side of the school.
- Students attending Boys and Girls Club or the It's a Blast Program should enter through the south doors.

- **Parking Lot and Bus Loop**

- There are moments of the day when the parking lot is becoming very full. Please follow the following requests:
 - Always park in the parking lot. Do not drop off in driving lanes.
 - Do not park in the Accessible Parking Spots.
 - If you are dropping off and do not want to park - please use the loop on McMaster Blvd.
 - There is also parking available on Columbia Blvd and at St. Martha Parish.

- **Winter Weather**

- Indoor recess will be determined with a combination of temperature, wind and judgement. We will use -20 celsius as our guideline - however we will use our judgement if weather seems extreme. We will also do our best to avoid having students inside for the entire day and students can expect to have outside recess at least once during the day. In the new year we will be sending home permission forms for properly dressed children to go out for short periods of time when temperatures drop below -20. Please pay attention for a permission slip for CSM FROST FIGHTERS.
- Please ensure that all students are prepared for outdoor play and learning at all times. Proper winter jackets, snow pants, tuques or ear covering, mittens or gloves, scarf or face covering and boots - waterproof mittens and gloves will increase warmth and enjoyment of the snow.

Schollie Surveys

You will be (or already have) be receiving an email with information and a link to complete the Schollie Survey for our school. Below is some more information about that survey. It is very important and helpful

The Schollie Survey is a customized feedback tool used by Alberta's Holy Spirit Catholic School Division for students, parents, and staff to provide specific input on school environments, learning, and supports, helping guide planning and decision-making. It focuses on divisional priorities and community needs, allowing stakeholders to share their voices directly to shape school futures.

Key Aspects of the Schollie Survey

- Customized Content: Tailored to the unique needs and priorities of the Holy Spirit Catholic School Division and its communities.
- Comprehensive Feedback: Gathers insights from students (Grades 4-12), parents, and staff.
- Informs Planning: Data helps guide three-year plans, budget allocation, resource decisions, and professional development.
- Specific to the Division: While complementing provincial surveys, it focuses on the local context where parent participation is often higher.
- Administration: Conducted online, taking about 10-15 minutes, with links/QR codes distributed by the division or schools.

If you prefer a paper copy - please email csmadmin@holyspirit.ab.ca and we can send one home with your child or you can come by the school and complete it in person.

If you your child has and ISP (individual program plan) - there is an additional survey we would love your feedback on. You should receive by email - but if you prefer a paper copy please email csmadmin@holyspirit.ab.ca and we can send one home with your child - or you can come by the school and complete it in person.

If you would like to complete the digital survey and need it sent again please contact our office at anytime.
