CSM School Fees 2026/27

Dear Parents and Guardians,

We hope this message finds you well. We want to take a moment to thank you for your ongoing support of our school community.

School fees play an essential role in bridging the gap between the funding provided by the province and the actual cost of delivering enriching programs and activities. These fees support many of the valuable experiences that enhance day-to-day learning, such as:

- **Software programs and applications used on Chromebooks**
- **School-wide activities and presentations**
- **In-class workshops and special presentations**
- **Field trips**
- **Supplies for unique class projects**

We strive to keep fees to a minimum by calculating expected costs and dividing them across our student population. When fees remain unpaid, it becomes challenging to offer these experiences for all students.

How to Pay

We encourage families to pay their school fees as soon as possible. **Payments can be made through School Cash Online** or at the school office using debit.

Payment Options
To help make fees manageable, we offer flexible payment options:

- **Pay in full at any time.**
- **Two installments**: Payments due in September and January.
- **Four installments**: Payments due in September, January, March, and April.

Below, you will find the fee details specific to your child's grade, including the total amount and payment breakdowns.

If you have any questions or require assistance, please don't hesitate to contact the school office and speak to Cathy at 403-381-8110. We are here to help.

CSM School Fee Breakdown
