## Parent Reflection – Psalm 146

*“The Lord keeps faith forever.” — Psalm 146*

This Sunday's psalm reminds us that God walks closely with those who are poor in spirit — those who approach life with humility, openness, and compassion. Psalm 146 speaks of a faithful God who lifts up those in need and calls us to care for one another with love and justice.

We have seen this spirit alive at Children of St. Martha this week. The start of boys' and girls' basketball has brought excitement and joy, giving students opportunities to grow their skills, discover their strengths, and share their gifts. These experiences help children learn that their talents are meant not only for personal success, but to serve others and contribute to the good of the world.

A special highlight was Blankets of Hope. We are grateful to Laurie McIntosh for leading this beautiful tradition. Each year, this project reminds us of the power of compassion and service. It is inspiring to watch students thoughtfully and lovingly take part — their kindness is a true reflection of God's work in their hearts.

As we look ahead, we have much to be thankful for: professional learning for staff, report cards being shared with families, field trips, our Open House as we welcome new families, and CSM Family Literacy Day, when community members will join classrooms for reading and fun. These moments reflect who we are — a community that strives to *open wide the doors*, nurture faith, and walk together in learning and connection.

Thank you for being part of our CSM family as we continue to grow together in faith, learning, and love.

Loving God,

Thank you for the children entrusted to us and for the community that supports them. Help us to lead with humility, patience, and trust in you. Open our hearts to notice the needs of others and to encourage our children to use their gifts with kindness and care. May our homes be places of love, faith, and hope, and may we walk together as one community.

Amen.

## Information and Updates

- **Morning Routine**

- Students who wish to join us for breakfast may come into the school starting at 8:15. Breakfast is not grab and go and students will be expected to sit a table to eat.
- Any students not coming in for breakfast should go directly to the playground via the north side of the school.
- Students attending Boys and Girls Club or the It's a Blast Program should enter through the south doors.

- **Parking Lot and Bus Loop**

- There are moments of the day when the parking lot is becoming very full. Please follow the following requests:
  - Always park in the parking lot. Do not drop off in driving lanes.
  - Do not park in the Accessible Parking Spots.
  - If you are dropping off and do not want to park - please use the loop on McMaster Blvd.
  - There is also parking available on Columbia Blvd and at St. Martha Parish.

- **Winter Weather**

- Indoor recess will be determined with a combination of temperature, wind and judgement. We will use -20 celsius as our guideline - however we will use our judgement if weather seems extreme. We will also do our best to avoid having students inside for the entire day and students can expect to have outside recess at least once during the day. In the new year we will be sending home permission forms for properly dressed children to go out for short periods of time when temperatures drop below -20. Please pay attention for a permission slip for CSM FROST FIGHTERS.
- Please ensure that all students are prepared for outdoor play and learning at all times. Proper winter jackets, snow pants, tuques or ear covering, mittens or gloves, scarf or face covering and boots - waterproof mittens and gloves will increase warmth and enjoyment of the snow.

- **Reports Cards**

- Report cards will be emailed home and available on SPACES January 26 and June 26.
- Regular insights to your child's learning can be found on their classroom SPACES digital portfolio. Parents can expect several posts each month. You can also expect an evening in the spring - Celebration of Learning - where you will be invited into your child's classroom to witness their learning.

## Schollie Surveys

You will be (or already have) be receiving an email with information and a link to complete the Schollie Survey for our school. Below is some more information about that survey. It is very important and helpful

The Schollie Survey is a customized feedback tool used by Alberta's Holy Spirit Catholic School Division for students, parents, and staff to provide specific input on school environments, learning, and supports, helping guide planning and decision-making. It focuses on divisional priorities and community needs, allowing stakeholders to share their voices directly to shape school futures.

### Key Aspects of the Schollie Survey

- Customized Content: Tailored to the unique needs and priorities of the Holy Spirit Catholic School Division and its communities.
- Comprehensive Feedback: Gathers insights from students (Grades 4-12), parents, and staff.
- Informs Planning: Data helps guide three-year plans, budget allocation, resource decisions, and professional development.
- Specific to the Division: While complementing provincial surveys, it focuses on the local context where parent participation is often higher.
- Administration: Conducted online, taking about 10-15 minutes, with links/QR codes distributed by the division or schools.

If you prefer a paper copy - please email [csmadmin@holyspirit.ab.ca](mailto:csmadmin@holyspirit.ab.ca) and we can send one home with your child or you can come by the school and complete it in person.

If you your child has and ISP (individual program plan) - there is an additional survey we would love your feedback on. You should receive by email - but if you prefer a paper copy please email [csmadmin@holyspirit.ab.ca](mailto:csmadmin@holyspirit.ab.ca) and we can send one home with your child - or you can come by the school and complete it in person.

If you would like to complete the digital survey and need it sent again please contact our office at anytime.
