BELONG. GROW. SHINE.

Good Shepherd, Thank you for guiding our families with love and care. Help us to trust in you, even when the path is uncertain.

Teach us to care for one another with kindness and compassion, and to help our children grow in faith and love.

May our homes and our school be places of peace, joy, and belonging.

We ask this in Jesus' name, Amen.

“The Lord is my shepherd; there is nothing I shall want.” – Psalm 23

Last week, our school community came together for a meaningful **Faith Retreat Day**, centered on the message that God is our Good Shepherd — guiding us, caring for us, and calling us to care for one another.

Through stories like *The Good Samaritan*, *The Prodigal Son*, and *The Lost Sheep*, students explored how we are called to live with kindness, compassion, and inclusion. Using the **See. Judge. Act.** model, they reflected on how they can: Notice the needs of others - Understand what is right and loving - Take action to make a difference.

It was a beautiful day of faith and reflection, and we are proud of the thoughtful ways our students engaged in this learning.

On Friday, students began their second round of **STEAM & DREAM clubs**, which continue this week — offering opportunities for creativity, collaboration, and joyful learning.

Looking ahead:

- Our **Grade 2 students** will attend their **First Communion Retreat** as they prepare for this important sacrament
- **Run Club** continues to bring energy and excitement to our mornings
- Today, we celebrate our **Ordinary Heroes Event**, where Grade 6 students honour people who have made a difference in their lives — a reminder that love, guidance, and care shape who we become

School-Wide Bottle Drive (April 13–24)

Our bottle drive begins this week! Families are invited to collect bottles and bring them to the school, where a trailer will be available for drop-off. Funds raised will support Grade 6 camp and school-wide year-end activities. Thank you for your support!

As a school community, we are grateful to walk this journey together, trusting that God continues to guide us and our children each day.

Information and Updates

- **School Wide Bottle Drive:** Please bring your bottle recycling to the school from April 13 to April 24 - we will have a trailer at the school to collect bottles. This fundraising will support grade six camp and school wide activities. Please support activities for our students.
- **School Fees:** As we get close to the end of year we will be monitoring school fees. If classes do not have enough fees collected to cover the cost of field trips. The field trips will be cancelled.
- School fees play an essential role in bridging the gap between the funding provided by the province and the actual cost of delivering enriching programs and activities. We strive to keep fees to a minimum by calculating expected costs and dividing them across our student population. When fees remain unpaid, it becomes challenging to offer these experiences for all students.

Total Fees for 2025/26

- **Total for Kindergarten:** $\$70.00 + \$50.00 = \$120.00$
- **Total for Grade 1:** $\$70.00 + \$50.00 = \$120.00$
- **Total for Grade 2:** $\$70.00 + \$50.00 = \$120.00$
- **Total for Grade 3:** $\$70.00 + \$80.00 = \$150.00$
- **Total for Grade 4:** $\$70.00 + \$80.00 = \$150.00$
- **Total for Grade 5:** $\$70.00 + \$80.00 = \$150.00$
- **Total for Grade 6 :** $\$70.00 + \$50.00 = \$120.00$

CSM BOTTLE DRIVE

- **BRING YOUR OWN**
- **COLLECT FROM FRIENDS AND FAMILY**
- **DROP OFF AT CSM - TRAILER IN PARKING LOT**

All funds will support grade six camp, and school wide year end initiatives.

Trailer will be parked at the school from April 13th to April 24th.

Information and Updates

- **Shoes**

- Please make sure that **all students have indoor and outdoor footwear at all times**. It's easy to feel when there is no snow or rain that this is not necessary - but what happens is then we are unprepared for wet weather but also in dry weather - grass, rocks and dirt get brought in and spread throughout the school - the time it takes to clear these extra messes takes away time from other tasks being accomplished.

- **Morning Routine**

- Students who wish to join us for breakfast may come into the school starting at 8:15. Breakfast is not grab and go and students will be expected to sit a table to eat.
- Any students not coming in for breakfast should go directly to the playground via the north side of the school.
- Students attending Boys and Girls Club or th It's a Blast Program should enter through the south doors.
- If you do not want your student to attend breakfast or play outside then please plan your arrival

- **Parking Lot and Bus Loop**

- There are moments of the day when are parking lot is becoming very full. Please follow the following requests:
 - Always park in the parking lot. Do not drop off in driving lanes.
 - Do not park in the Accessible Parking Spots.
 - If you are dropping off and do not want to park - please use the loop on McMaster Blvd.
 - There is also parking available on Columbia Blvd and at St. Martha Parish.

- **Winter Weather**

- Indoor recess will be determined with a combination of temperature, wind and judgement. We will use -20 celsius as our guideline - however we will use our judgement if weather seems extreme. We will also do our best to avoid having students inside for the entire day and students can expect to have outside recess at least once during the day. In the new year we will be sending home permission forms for properly dressed children to go out for short periods of time when temperatures drop below -20. Please pay attention for a permission slip for CSM FROST FIGHTERS.
- Please ensure that all students are prepared for outdoor play and learning at all times. Proper winter jackets, snow pants, tuques or ear covering, mittens or gloves, scarf or face covering and boots - waterproof mittens and gloves will increase warmth and enjoyment of the snow.

Information and Updates

- **Food**

- Our school is truly blessed to receive both food and funding that allow us to provide a universal (for everyone) breakfast, snacks, and limited (for those in need) lunches for students. We are grateful for this support and want to work closely with families to ensure these resources are used wisely and reach students who need them most.
- We also don't want your home packed lunches to go to waste. Staff always encourage students to eat the food brought from home first. You can support this by reminding your child that the lunches packed from home are prepared with care and effort, and that it is their responsibility to eat this food before accessing additional items.
- While breakfast and snacks are often plentiful, the number of full lunches we receive is limited. Students are sometimes most interested in the drinks or snack items that come with these lunches; however, these items need to be reserved for students who require an entire meal.
- If a student has a lunch but no drink, they are encouraged to use their water bottle or the water fountain. If a student has finished their food and is still hungry, they are always welcome to check in with staff for additional food or snacks.
- Thank you for partnering with us to reduce food waste, model responsibility, and ensure that all students are cared for. We appreciate your support and ongoing conversations at home.

Mission | Vision | Motto

Rooted in faith and guided by love, The Children of St. Martha School celebrates each child. We honour connection, foster growth, and inspire every learner to be kind, courageous, and full of hope.

Our vision is to be a community where faith, learning, and connection guide every child to reach their full potential — growing together in strength, identity, and compassion.

Belong. Grow. Shine.
