Welcome Back

"The Lord is my Light and my Salvation."

(Psalm 27:1,4,13-14)

As we continue our journey through the school year, we are reminded that God's light guides us, protects us, and helps us move forward with trust and hope. At Children of St. Martha, we are grateful to walk this path with our families as we nurture faith, learning, and community.

Boundary Changes & Registration - Holy Spirit Catholic Schools has shared important information regarding **school boundary changes** and the upcoming **registration process** for the 2026–2027 school year. We encourage all families to review the Division's communication so you are informed about how these changes may affect your family. Registration will be opening soon, and we want to ensure every family has the information needed to make confident, faith-filled decisions for their children.

Welcoming New Families to CSM - We will soon be hosting an **Open House** for families who are new to our community or who may be considering Catholic education at Children of St. Martha. If you know families who live in our area, are new to Lethbridge, or may be impacted by boundary changes, we kindly ask for your help in sharing this opportunity with them. Word of mouth from our current families is one of the most meaningful ways we grow our community.

Your Voice Matters – Schollie Survey - In the coming days, all parents will receive the **Schollie Survey** from Holy Spirit Catholic Schools. This survey gives you an important opportunity to share your feedback about your child's school experience. Your voice helps guide our growth, celebrate what is working well, and strengthen the ways we support students and families. We encourage all families to complete the survey when it arrives. Together, we continue to grow in the light of Christ.

The LORD is my light
my salvation;

Whom shall I fear?

The LORD is the
strength of my life;

Of whom
shall I be afraid?

Psalm 27:1

A Short Prayer

Lord, You are our light
and our salvation.

Guide our school
community with Your
wisdom and peace.

Help us to walk in faith,
welcome others with
open hearts,
and shine Your love in
all that we do.
Amen.

Information and Updates

● **Parking Lot and Bus Loop**

- There are moments of the day when the parking lot is becoming very full. Please follow the following requests:
 - Always park in the parking lot. Do not drop off in driving lanes.
 - Do not park in the Accessible Parking Spots.
 - If you are dropping off and do not want to park - please use the loop on McMaster Blvd.
 - There is also parking available on Columbia Blvd and at St. Martha Parish.

● **Winter Weather**

- Indoor recess will be determined with a combination of temperature, wind and judgement. We will use -20 celsius as our guideline - however we will use our judgement if weather seems extreme. We will also do our best to avoid having students inside for the entire day and students can expect to have outside recess at least once during the day. In the new year we will be sending home permission forms for properly dressed children to go out for short periods of time when temperatures drop below -20. Please pay attention for a permission slip for CSM FROST FIGHTERS.
- Please ensure that all students are prepared for outdoor play and learning at all times. Proper winter jackets, snow pants, tuques or ear covering, mittens or gloves, scarf or face covering and boots - waterproof mittens and gloves will increase warmth and enjoyment of the snow.

● **Reports Cards**

- Report cards will be emailed home and available on SPACES January 26 and June 26.
- Regular insights to your child's learning can be found on their classroom SPACES digital portfolio. Parents can expect several posts each month. You can also expect an evening in the spring - Celebration of Learning - where you will be invited into your child's classroom to witness their learning.

Schollie Surveys

You will be (or already have) be receiving an email with information and a link to complete the Schollie Survey for our school. Below is some more information about that survey. It is very important and helpful

The Schollie Survey is a customized feedback tool used by Alberta's Holy Spirit Catholic School Division for students, parents, and staff to provide specific input on school environments, learning, and supports, helping guide planning and decision-making. It focuses on divisional priorities and community needs, allowing stakeholders to share their voices directly to shape school futures.

Key Aspects of the Schollie Survey

- Customized Content: Tailored to the unique needs and priorities of the Holy Spirit Catholic School Division and its communities.
- Comprehensive Feedback: Gathers insights from students (Grades 4-12), parents, and staff.
- Informs Planning: Data helps guide three-year plans, budget allocation, resource decisions, and professional development.
- Specific to the Division: While complementing provincial surveys, it focuses on the local context where parent participation is often higher.
- Administration: Conducted online, taking about 10-15 minutes, with links/QR codes distributed by the division or schools.

If you prefer a paper copy - please email csmadmin@holyspirit.ab.ca and we can send one home with your child or you can come by the school and complete it in person.

If you your child has and ISP (individual program plan) - there is an additional survey we would love your feedback on. You should receive by email - but if you prefer a paper copy please email csmadmin@holyspirit.ab.ca and we can send one home with your child - or you can come by the school and complete it in person.

If you would like to complete the digital survey and need it sent again please contact our office at anytime.
